BRUGNOTTO[®]

G R O U P

SINCE 1980

We are a **modern carpentry**, able to create any product for the wood-furnishing sector. We have specialised in processing panels and solid wood through turning, moulding and shaping. We are now able to offer our clients a **full service**.

The quality of **MADE IN ITALY** and the artisanal approach meet a modernly organized company, capable of integrating the latest technologies into every project.
